

Residential Counselor

Position responsibilities:

The Residential Counselor works as part of a multi-disciplinary team in providing supervision to adult residents with severe and persistent mental illness. G.L.O.M.'s residential program includes both crisis stabilization and transitional housing services. The Residential Counselor provide services including but not limited to client supervision, transporting residents on outings, cleaning, cooking, crisis intervention, and medication management. The Residential Counselor also supports and assists individuals in developing independent living skills and in meeting rehabilitation goals. Residential Counselors must demonstrate an acceptable level of maturity, good judgment and emotional stability. Candidates must be willing to work a flexible schedule, including some weekend and overnight shifts.

Minimum job requirements:

Prior work/volunteer experience with adults is preferred. If your application does not indicate prior experience working with adults, please include a cover letter describing relevant experience for the position. College Degree is preferred, but not required. Please indicate your level of college education and/or units earned.

Essential Requirements Include:

Must have High School Diploma or GED

Must be 21 years or older

Must have a valid CA driver's license and DMV record and insurability under the agency's auto insurance policies are preferred.

Must be able to pass a fingerprint background check.

CPR/First Aid Certification

Must be able to pass health screen physical and clearance of TB test.

Qualified applicants will also have good communication and writing skills.

Employment is contingent upon meeting the above minimum qualifications and verification of previous employment and education.
